MOOD:  hah.

MUSIC: cvillette leaving a phone message

There's partial sun and seventy-degree days in the forecast!

...

...So I'm going where there's thunderstorms!

I'm sure, if there's a god, she thinks this is hilarious.

Thank you

This is Patricia Andreoli, wife of Daphne Worth, who you all knew as Trollcatz. Daphne died

...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

For the record, Tasha says "hah hah hah hah hah."

Also, she wants to know if we want her to take pictures when they go climbing this weekend. I told her, "We'll be back by then!" She said, "If you are, it'll rain!"

Why do we like her again?

April decided TODAY was the best day for lowegia to feel Her Showery Wrath. *grumble*

Aww, c'mon, thunderstorms are a sign of spring too! (At least they are where I'm from.)

I hear you, though -- it's a beautiful day, and I'm stuck inside with a cold and no motivation.

de-lurks briefly

They're a sign of autumn around here. Fortunately, it's *finally* starting to move into autumn now, which means I hopefully have lots of storms and rain to look forward to.

...So I'm going where there's thunderstorms!

I'm sure, if there's a god, she thinks this is hilarious.

Well, duh! Any god worthy of the name would either have to have a fairly perverse sense of humour or be insane from having to deal with humans all the time, no?

(Hi, followed your comments on  cvillette's journal, which I found via  coffecem's, IIRC.)

And I'm not joking about being jealous of your thunderstorms.

points off to one side and cries: "Look! A cassowary!" then runs&hides
